ENTRANCE TO COLLEGE GROUNDS

The Henry Whittemore Memorial Gate, at the entrance to the campus, was given by the Classes of 1917, 1918, and 1919, and named for Mr. Whittemore, Principal of the Framingham Normal School from 1898 to 1917.

DWIGHT HALL

Dwight Hall, the administration and classroom building, is named for Edmund Dwight of Boston, who by his munificent gift made it possible for Horace Mann to start the State Normal Schools in Massachusetts.

WELCOME TO ENTERING STUDENTS

I am glad that you have been accepted for admission to Framingham in September, and it gives me great pleasure to bid you welcome to our college. Framingham's rich history began in 1839 when it opened at Lexington as the nation's first public college for preparing teachers. Since

then it has grown in size the broadened in function to the point where the growing campus and expanding programs of today's Framingham State College hold forth to you an unusually fine opportunity for a splendid education in the four years which lie ahead.

Framingham, even in its rapid growth, strives to maintain a friendly spirit and to make available to its new young men and women students the help and counsel of upper class students and an excellent college staff. Students and staff will be available to help you, and will also seek your active support in promoting the good of the college. Only you can determine how well you capitalize on the opportunities and carry out the responsibilities which are yours. In the long run, your success depends upon you.

I hope your start at Framingham will reflect enthusiasm and confidence which launch you on a successful college career. I look forward to having you with us in September and to meeting you at the many academic and social functions of the college.

D. JUSTIN MCCARTHY
President

Dear Freshmen:

You are most welcome to Framingham as the Class of 1971. Four years hence, this season may cause you a bit of nostalgia. What you remember of your college years in 1971 may well be based on what your expectations, hopes, values and goals are in September 1967.

We are continually growing at Framingham. You will be very aware of the changes in the physical appearances around the campus during your four years. Will you be as aware of the less observable growths? Will you recognize in your own development some deeper concepts of human values, a philosophy by which to meet life's challenges, a maturity of purpose in your chosen field of preparation for a profession? Will you recognize that with every freedom available there is a countering responsible action?

I am looking forward to meeting you and having the names on a roster become associated with real persons.

A. CAROLLA HAGLUND

Dean of Women

Greetings to Freshmen Men:

I am pleased to welcome you, our fourth year of entering male students to our College. You will find that your stay will provide rewarding academic growth and social development. Your collegiate responsibilities,

to yourself and to your college, mean that you will make necessary adjustments. Learn to follow the highest standards possible and develop within yourself principles of choice sincerely and logically.

Your four years of college will reflect your past and will determine your future. The educational goals that you set for the next four years will be governed by your personal role as a serious student. Intellectual pursuit is filled with challenges, challenges that you must meet with enthusiasm, stamina and integrity. Continual growth comes from personal decisions, ethics, and discernment. Have great pride in your role as a citizen of this college community.

You will choose to participate in some of the wide-range, extra-curricular activities here at Framingham. These activities will serve to bring you new friends, enjoyment and new experiences. Select wisely and balance your time and energies fruitfully. Participation in Student Government offers you a unique opportunity to serve your College. The newly formed Mens Athletic Association also will provide experiences in Collegiate sports.

We want these years at Framingham to be happy ones for you. Seek out the services and advice of your Dean of Men. He is a member of an administration which is most ready to serve you. Good luck!

JAMES P. SAVAS
Dean of Men

COLLEGE HYMN

Dear Framingham, thy children around thee gather;

Our vows of love to thee we pledge anew.

Unfailing font of hope and joy forever,

We shall proclaim our homage to you.

Through countless years to all a fostering mother,

Thy bounteous blessings poured on age and youth;

Our suppliant prayer till time our chain shall sever

Will ever be, "Live to the Truth."

Words by MARTIN F. O'CONNOR
Tune: "Finlandia"

OUR CREED

We believe—in the Framingham State College and in its motto "Live to the Truth."

We believe—in a spirit of loyalty to our teachers, classmates, and friends;
in a spirit of cooperation and sportsmanship in the classroom, on the athletic field, and in all other activities.

We believe—in courtesy at all times, and a consideration for rights and privileges of others;
in true and generous comradeship and mutual helpfulness that insure the well-being and advancement of the individual and the group.

We believe—in a high standard of scholarship, intellectual integrity, and thoroughness in all our undertakings;
in making diligent search through our contacts with people and books after the best that life has to offer.

We believe—that an honest and consistent devotion to these ideals will so develop us as to give us "the good life" and sustain and build traditions for our college.

OUR FRAMINGHAM BACKGROUND

Over a hundred years ago Massachusetts schools were faced with the fact that their teachers were unfitted for teaching because of ignorance, not only of methods but of subject matter as well. To overcome this difficulty the Massachusetts Board of Education was formed in 1837, with Horace Mann as its Secretary. This board made possible the establishment of three normal schools, one of which has grown to be State College at Framingham. Our normal school was established in 1839 at Lexington with Reverend Cyrus Peirce as Principal. Reverend Samuel J. May succeeded Peirce in 1842, but after two years the latter again became Principal. In 1849 he was followed by Eben Stearns. The school was moved from Lexington to West Newton in 1844; and to Framingham in 1853. The first woman principal, Miss Annie E. Johnson, served from 1866-1875, and established the practice school. She was followed by Miss Ellen Hyde.

Until 1898 the school prepared for the elementary grades only, but during that year the Mary Hemenway School of Domestic Science in Boston was annexed. In 1920 the Vocational Department was established by the Federal Board of Vocational Education.

Henry Whittemore became Principal in 1898 conducting the school for nineteen years. He was succeeded by Dr. James Chalmers, who retired in 1930. Francis A. Bagnell served as president, from 1930-1936, and Martin F. O'Connor from 1936 until his retirement in 1961, when Dr. D. Justin McCarthy was appointed.

Extending to the normal schools the privilege of granting B.S. degrees for completion of the four-

MAY HALL

May Hall, named for Miss Abbie W. May, who was chairman of the board of visitors in the eighties, was the main classroom and administration building prior to the opening of Dwight Hall. It was opened in September, 1889, and dedicated in June, 1890. The first floor was used then primarily as a practice school. In 1898 the Mary Hemenway Household Art Department, was added to this building. In September 1962 when Hemenway Hall opened, the History and English departments moved to May Hall.

year course, now recognized as of collegiate grade, the Legislature, in 1932, made all state normal schools in Massachusetts State Teachers Colleges. In 1960 the Legislature dropped "Teachers" from the name and authorized the granting of the B.A. degree. In the fall of 1962 Framingham welcomed the first group of students in Liberal Arts in the Class of 1966. Majors are now being offered in English, History, Medical Technology and Biology. Beginning the fall of '64, men were admitted to all departments except home economics.

Special Study Program

Students may request permission to enroll for honors work if they have an average quality rating of 3.0 or higher for the entire sophomore year, or for the last semester sophomore year plus the first semester junior year (excluding practice teaching and house practice).

The program is carried on under the direction of a faculty member and must be related to the student's major area of study. The student may begin to work any time after qualifying and must continue for four full academic quarters.

The choice of the faculty adviser and the actual program of study are matters of mutual agreement between student and faculty member, but the faculty elected for that purpose and the acceptance of the project when completed must be approved by The Honors Committee.

TRADITIONAL EVENTS

Freshman Initiation

"I will" must be the reply from new comers when commanded by a Senior on this inevitable day. One cannot miss the self-conscious Freshmen as they run around campus, but they sometimes have a difficult time recognizing each other! The whole College enjoys the ingenuity and cleverness of the Freshmen in fulfilling their requirements.

Faculty-Student Field Day

Some bright day in October hilarity will reign on the athletic field when the Faculty demonstrate their daring by competing with the students. The students enjoy the democratic spirit of their elders, and faculty members enjoy the give-and-take with the students.

Black and Gold Weekend

The name of an event known in the past as the Harvard-Yale Weekend, so designated because it traditionally fell on the weekend of the big Harvard-Yale game, is now a combination of the names of the two teams within the school, the Black Knights and the Gold Stars.

Friday finds teams and cheering sections ready, practice and drills over, the students rallying to the support of either the Black Knights or the Gold Stars, and everyone impatient for the fun to begin. Although the competitive spirit is everywhere in evidence, sportsmanship and good will prevail.

As a rule the weekend is ushered in by a talent show Friday evening, full of fun and laughter. Saturday is given over to sports, two out of three events determining the winners of the day. A dinner to honor the teams follows at Peirce Hall; speeches, singing, and announcement of the various captains for the following year are highlights of this gathering. The weekend usually closes with a dance in the gym, which leaves everyone who has participated in this grand and glorious event of Black and Gold Weekend happy to have experienced the wonderful spirit and gaiety for which it is noted.

Christmas Week

Regardless of dates Christmas Week is the week before College closes for the holidays. On Tuesday, S.N.E.A. is hostess to a group of little folk less privileged than most. The Music Clubs present a program of Christmas music, secular and sacred. The resident students have their Christmas dinner by candlelight, and the commuters gather for an equally festive repast in the Student Union Cafeteria or at one of the many excellent inns in Framingham. During the week each residence and many groups of commuters have Christmas parties and trees.

Winter Weekend

Winter weekend, usually held in February, is a new social event on campus. Featured are snow sculpture contests between classes and organizations, winter sports events for those interested, a dance at which time either the Winter Weekend Queen or Miss Framingham is introduced. All Classes and clubs are invited to assist the Student Union Activities Chairman in producing various segments of this weekend.

Stunt Night

One Friday evening in March is always keenly anticipated by the whole college community. For weeks beforehand each class (and sometimes the Faculty) works on a "stunt," the nature of which is shrouded in mystery. Originality, attention to detail and time, and thoroughness of preparation, are all considered by the judges when the stunts are presented in public. Happy is the class that is awarded the trophy and the privilege of having its numerals engraved on this trophy, which is displayed in Dwight Lobby a week before and a week after the program.

Arbor Day

The Governor's proclamation is the basis for the campus observance of Arbor Day, planned and executed by the Seniors, and featuring the planting of a tree. Much of the beauty of our campus can be traced to former arbor days.

May Day

The Sophomores' own day, May Day, begins with an assembly at which the theme chosen for the day is revealed in the course of the program. Sophomores occupy the seats in the center section and the beauty and promise of Spring motivate the arrangements made for the afternoon. The Sophomore Class is host to the College and guests at a pageant and an informal reception. The highlight of May Day is the presentation of the Queen and her Court, and the Spirits of Spring and Framingham. A semi-formal dance in honor of the Queen climaxes the festivities.

N.S.A. FORUMS

Several times during the year foreign students are invited to our campus from nearby colleges, to discuss with us the cultures of their respective countries. In this way interest is quickened in problems which often prove to be universal, and the importance of mutual understanding is stressed.

PUBLIC RELATIONS

Good relations and sympathetic understanding between a state college and the public which has furnished and supports it are extremely important. As an undergraduate everything you do will reflect credit or discredit upon your college. Any awards or honors which may come to you, in college or out, will be shared by the college, just as you will share in any distinctions that may come to your college. The reverse is also true, of course.

This interdependence between you and your college is inevitable and inescapable. It is beyond your power to avoid this responsibility, but it is very much within your power to add substantially to the reputation and fame of your alma mater.

Seek out opportunities to promote her ideals and strengths. Be quick to resent and be prepared to refute any derogatory remarks about your chosen college or your chosen profession.

Bear in mind, however, that the best possible public relations are promoted by your own personality as a serious, maturing student.

Remember that you are entering a professional college, and a professional attitude is expected of you.

Begin well! Poor work in the first semester may handicap you through your whole college course. If you are not doing well in a subject, do not hesitate to ask for a conference with the instructor. Framingham recommends you on the basis of your accomplishments here.

This is the place to make friends; don't chum with one student exclusively. Don't be afraid to speak to the student who smiles at you. First impressions are important.

CULTURAL ASPECTS

A Framingham student aims to be informal. He is not enclosed behind brick walls, but rather sees vital connections between his studies and the world he lives in. All departments at Framingham encourage a close relationship between scholastic work and related cultural opportunities in the surrounding communities. Home economics students make supervised visits to markets, stores, and industrial plants. Geography, science, and art classes have field trips to plants, laboratories, and museums. Drama and music classes or groups from them take advantage of the offerings in Boston and many other nearby communities.

Cambridge, Sturbridge, Sudbury, and other towns within a narrow radius of Framingham all have

unique features of special interest to the college student. Plan to investigate them.

Locally, Framingham offers many cultural programs: lectures on a variety of subjects, concerts, and plays. Organizations using College facilities often open their meetings to students; there are special student tickets at reduced prices for the community concert series presented in Framingham.

A series of lectures, during the college year, is arranged by the Special Programs Committee with the financial backing of the faculty Public Relations Committee. This series is presented in Dwight Auditorium and is open to students of our own and neighboring colleges and to the residents of the town of Framingham.

COMMUNITY OFFERINGS

Students with time and talent may join the Community Players or The Community Choral Society.

Through the courtesy of Babson Institute of Wellesley, F.S.C. students are privileged to use the Babson swimming pool once a week. Dr. Mackey, of our physical education department, arranges series of lessons during the year, and personally supervises the swimming and life saving classes. A nominal fee is charged.

RED CROSS

The Red Cross College Unit cooperates with the Framingham Chapter of the Red Cross. Through it the girls are able to participate as a group in Red Cross activities, such as "gray ladies," and enjoy a valuable community relationship.

Current activities will continue while there is a demand for them. In addition, the College Unit stands ready to assume new and different duties, in accordance with the time and abilities at its disposal.

FRAMINGHAM TOMORROW

There are several projects now in various stages of planning, all of which will increase the size and quality of the physical plant of the college.

Future plans call for another residence hall, an expansion of gymnasium facilities, a swimming pool, a home management house, and a full-sized playing field.

It is the intention of the college to increase the enrollment from its present 1200 to approximately 1500 by 1970. In September of 1962 a secondary education program was offered with two majors, history and English. In 1964 a biology and medical technology major was opened. In 1966 a non-education program with majors in history and English was opened.

The library is a reality with construction of the new building in process and scheduled for opening in 1969.

The new 300-bed women's residence is also under construction to be opened in 1968.

HEMENWAY HALL

Hemenway Hall named for Mary Hemenway who was in large measure responsible for the present Department of Home Economics at Framingham State College, was opened in September, 1962. Other departments now located in this building include the sciences and mathematics, audio-visual education and art.

THE JUDICIARY BOARD

Chairman: Cynthia Skrzat '68

Faculty Adviser: Miss Monroe

The Judiciary Board (J.B.) with the 1st Vice-President as chairman is comprised of six other student members—the chairman of the student lounge, two seniors, a junior, a sophomore, and a freshman after first semester, and a faculty adviser.

The function of this board is described in Article IV, Part III of the S.C.A. Constitution. Certain major offenses become automatically the concern of the President of the College, the Dean of Women, or the Faculty.

THE CLASS AND CLUB COUNCIL

Chairman: Christina Walker '68

Faculty Adviser: Dean of Women

It is the aim of the C.C.C. to maintain cooperation and harmony among the organizations at Framingham. It has charge of scheduling college events and elections, and it assumes major responsibility in assisting with the plans and conduct of pre-registration activities of the Freshmen.

All nominating is done preferentially, i.e., if three names are on the ballot, your first choice receives three points, your second choice receives two points and your third choice receives one point. In voting, indicate by a check mark your first choice only.

S.C.A. officers are nominated and elected by and from the school at large. Class and club officers are nominated by the members of the organization or a nominating committee as the constitution of the organization may direct and are elected by the whole organization. The names of those nominated are reviewed for academic and social standing.

Each approved nominee is notified and is free to accept or decline a nomination. If a student is nominated for two or more offices, he must decide, immediately upon notification, which nomination he accepts, if any.

The Faculty advisers are nominated and elected in the same way as the officers of the respective organization.

THE NATIONAL STUDENT ASSOCIATION

Coordinator: PATRICIA LaNINFA, '69

The United States National Student Association is an organization founded in 1947 to allow the student to express his ideas and aspirations on a national and international level. Students in institutions of higher learning have a legitimate concern

with all issues which affect them in their roles as students. No matter where these issues arise, whether in this country or abroad, all students everywhere are affected for they belong to a "single commonwealth of the mind. . ."

The National Student Association on this campus is made up of the entire student body. Its executive committee is composed of the coordinator, one senior, one junior, two sophomores, and a freshman to be elected at the beginning of the second quarter. Framingham State College is a member of the New England Region of National Student Association. The members of the committee attend conferences held at various colleges throughout New England.

It is our hope that the entering students will take an interest in activities sponsored by the National Student Association on campus, and also, take advantage of the wealth of information offered in areas that concern them through the Student Government Information Service of N.S.A.

THE HONOR COUNCIL

Chairman: NANCY SWIACKI, '68

Faculty Members:

DR. SELLERS and MISS SHAWKEY

The students of the State College at Framingham believe that the major purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by maintaining an Honor System with an Honor Council. This system aims to develop principles of honorable conduct and increase intellectual integrity in all academic work. With this goal in view we pledge ourselves to the support of the constitution of the honor system. According to the regulations of the honor system, each student is placed on his honor in all work designated as honor work in the constitution.

The Honor Council reviews all cases of reported dishonesty and infractions of the rules.

The chairman of the Honor Council is elected by the student body and is a member of the S.C.A. Council. In addition to the chairman, the Honor Council comprises the following members (elected according to the procedure explained in the Constitution): one Elementary major representative from each of the four classes, one Home Economics major representative from each of the four classes, one Liberal Arts major representative from each of the four classes, and two representatives from the faculty (elected by the faculty.)

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by taking a vital interest in its progress.

We are confident that the students of Framingham State College will uphold this privilege of self government.

HONOR CONSTITUTION

Foreword "LIVE TO THE TRUTH"

We, the students of State College at Framingham, desire to prove we can meet the test of this our challenging motto. We believe that the main purpose of education is to develop character. Since honesty and a sense of responsibility are traits of good character, we seek to further their growth by establishing an Honor System and Honor Council. This system aims to develop the principles of honorable conduct and to increase intellectual integrity in all academic work. It is our belief that pride in the establishment of honesty in our professional relationships will also increase our consciousness of the rights of others and will thus develop improved social behavior within our college community. With these goals in view we pledge ourselves to the support of the Constitution of the Honor System.

ARTICLE I

Application

Section 1. The Honor System shall apply to every member of the student body at State College at Framingham.

Section 2. The faculty are requested to cooperate by observing the rules of the Honor Constitution and by reporting to the Council infractions of rules.

ARTICLE II

Honor

Dishonesty shall be defined as either giving or receiving aid, comparing answers or attempting to do so, during an examination, test or quiz. In all assigned work such as a theme, term paper, or book report it shall be dishonest to hand in another's work as one's own. In those instances where sources are consulted, proper acknowledgement must be given. It must further be understood that students are to refrain from discussing examination questions in the presence of students who have not yet taken the examination.

It is permissible to engage in cooperative study. In the matter of work books or study questions if the instructor does not at any time wish students to engage in cooperative study or consult other sources, he must specifically say so.

Since it is recognized that uncertainty may arise in these points of cooperative study, study questions, work books, or late examination, it is the obligation of both student and faculty to clarify the status of all work assigned and all late tests given.

ARTICLE III
Honor Council

Section 2. Term of Office

- A. A class representative to the Council shall hold the position for one school year.

ARTICLE V. *Regulations*

Section 1.

- A. In order that all possible misunderstandings may be avoided, all students and faculty members must know and enforce the regulations below.
- B. The following regulations are necessary to maintain a proper atmosphere during the taking of examinations and quizzes. A student must understand that infraction of a rule could mean that his name might be reported to the Council, (Sec. 2,A. below). Since it is absolutely necessary to avoid all appearances of concealed papers or of suspicious communications, the students must conduct themselves as follows:
 1. Students are to bring to the examination nothing but what the instructor specifies as permissible. Ordinarily this would include only writing materials, and loose paper handkerchiefs. If pocket books, glass cases and wraps are brought into the room, the instructor is to designate where they are to be put.
 2. Avoid all suspicious actions such as seemingly to look at another's paper, and any unnecessary talking; necessary talking shall be spoken out loud for all to hear.
 3. Students desiring clarification of examination questions must leave the room to consult the instructor.
 4. A student finding it necessary for any reason to leave the room is to report directly to the instructor.
 5. A student may leave the examination early. It is recommended that he put on his paper the hour of leaving.

6. A student who has turned in his examination must leave the room at once and is not to return until the examination has been terminated unless he reports to the instructor first and has his permission.
7. A student after leaving the examination room is to engage in no communication with anyone within hearing of students remaining in the examination room.
8. Examination papers once handed in must be left untouched and unread by other students taking the examination.
9. During hour tests and final examinations the instructor must make provisions for adequate spacing between students.
10. The instructor shall designate in writing at the beginning of the examination (on blackboard, question sheets, or otherwise):
 - a. Where he may be found throughout the period.
 - b. Where the examination papers are to be turned in.

Section 2.

- A. It is the duty of every student and faculty member either to report in writing to the Council any instances of dishonesty or violation of regulations, or to approach the student concerned and to suggest that he report himself. In the latter case the student or faculty member will check with the Council to make certain that the student has reported himself.
- B. It is the duty of every student and faculty member to report to the Council any knowledge of rumors concerning possible infractions of rules.

Section 3.

- A. The members of the Council shall maintain the utmost secrecy concerning the names of students reported or students reporting and all details of Council meetings.
- B. All students involved, those reporting and those reported, are required to maintain the same secrecy.
- C. The faculty committee appointed by the President of the College to review a case is required to maintain the same secrecy.

Section 4.

- A. Each student must sign a statement that he has read this Constitution and is fully aware of its contents and will abide by it.
- B. These statements are to be filed with the Secretary of the Honor Council.

ARTICLE VI *Procedure*

Section 1.

The student or faculty member reporting must use a prepared form, one of which will be found at the end of this Constitution. Additional forms are to be in an envelope attached to the Student Cooperative bulletin board, first floor, Dwight Hall. The report must be sent immediately to the Chairman of the Council. It is requested that faculty members and students provide, if available, the proof necessary to support their charges.

Section 2.

- A. Upon receipt of a report of alleged dishonesty or of alleged violation of rules in accordance with Article V, the Chairman and Secretary of the Council with one of the faculty members may interview the person or persons reported.

The Chairman and Secretary shall report to the Council on said interview. If a student reports himself it is not necessary to have a preliminary interview.

- B. The defendant shall be called before the Council. The student or faculty member reporting may be asked to meet with the Council separately.
- C. The Council after all interviews are completed shall take definite action by secret ballot upon each case presented. (Article III, Section 1, I)

Section 3.

A. If it is the vote of the Council that a student has been guilty of dishonesty as specified in Article II, ~~a faculty committee shall be appointed by the President of the College, and exclusive of the President, for confirmation of guilt and of disciplinary action.~~

*the S. J. J.
shall review
the cases
as spec.
in Art. VI
of the SGA
constituted*

The faculty committee may require an interview with the student concerned. If it does not, but the student himself requests a hearing, such a hearing shall be granted. If the Council's decision is upheld by the faculty committee, the student shall face one or more of the following punishments:

1. A student shall be given a written warning.
2. A student shall hold no school office or committee chairmanship either that year or the following year. The Secretary of the Council shall, in this case, notify the Dean of Women at once in writing that the student is no longer eligible for office.
3. The student may be placed on honor probation and all faculty members in whose classes the student is enrolled shall be so notified.
4. A student shall be recommended for suspension without probation.
5. A notice of his offense and of disciplinary measure applied shall be entered as part of the student's permanent record.

6. A student may receive no credit for the course and will be required to make up the necessary credits before graduation. This shall not occur without the specific consent of the instructor in the course.

B. In the event that the faculty committee does not uphold the decision of the Honor Council, the faculty committee shall state to the Council its reasons for disagreeing, and ask the Honor Council to review the case.

C. In the extreme event that the Honor Council maintains its original decision, a new committee shall be set up. The final decision shall rest with this committee. The committee shall be composed of the President of the College, three faculty members appointed by the President, the Student Cooperative Association, senior class and junior class presidents.

guilty?

D. Students found guilty of dishonesty will have to satisfy the conditions set by the instructor in whose course the trouble occurred to justify the awarding of a final grade for the course.

E. In the extreme event that a student is found guilty (Article VI. Section 3, A) a second time by the Council, ~~such repetition~~ of guilt being upheld by ~~a faculty committee~~, recommendation for expulsion will follow.

F. It is clearly understood that final decision in all cases involving suspension or expulsion rests with the President of the College.

Section 4.

A. If it is the vote of the Council that a student has violated a regulation (Article V), the student shall be notified in writing to this effect. A warning shall be issued that a subsequent conviction for an infraction of a rule of the Honor Constitution during his college course shall call for disciplinary action.

- B. If it is the vote of the Council that a student has violated more than one regulation at one time, it shall call for disciplinary action. Such action will be left to the discretion of the Council.

ARTICLE VII

Amendments

This constitution may be amended by majority vote of the student body and faculty. Any student or faculty member may propose to the Honor Council at any time an amendment for consideration. Such a proposal shall be given due consideration by the Council, and if the Council votes in favor of the proposal, it shall be presented to the student body and the faculty for a vote. If the Council does not vote in favor of the proposed amendment, it must be submitted to the student body and faculty for a vote, provided that a petition signed by 10 per cent of the student body or faculty so requests.

ARTICLE VIII

Interpretations for the Student

Since the success of the Honor System depends entirely upon the cooperation of all taking part in it, students are urged to help by assuming a vital interest in its progress. May it be the aim of each member of the student body to instill in the minds of the incoming students the tradition of honesty and the principles of honor which exist in all contacts among students and among students and faculty. With such whole-hearted acceptance of the aims and purposes of the Honor System by each participant, violations of our system will be rare and intolerable, and the judicial functions of the Council will be reduced to a minimum.

Form for Reporting Violations of Rules to the Honor Council

Your cooperation in reporting infractions immediately is most urgently requested. A delay of even

a day or two may hamper the Council in carrying out their judicial functions.

INTERDORMITORY COUNCIL

Chairman: NANCY ANTHONY '68

Advisor: DEAN OF WOMEN

The Interdormitory Council (I.D.C.) has been established to promote better relations among the students living on campus. The principal objective of this council is to encourage self-discipline and cooperation with others. As a council, I.D.C. endeavors to consider the needs of every person living on the campus or in the village and to answer to the desires of each when and where feasible.

The members of the council are: Chairman of I.D.C., Dining Room Chairman, Student Assistant at the Vocational House, Dormitory Presidents, and Faculty Adviser, the Dean of Women.

The council functions to uphold regulations set forth in Dormitory Living (with the exception of those problems handled by the individual Dormitory Councils) and the council has the authority to impose penalties for all infractions thereof.

DORMITORY COUNCIL (each residence)

The Dormitory Council functions to promote better relations among students living in each dormitory. They have jurisdiction over problems involving excessive noise, lights, telephone and smoker duty, room inspection, and those other problems which may be unique to individual residences.

The Dormitory Council with the House President as chairman, is comprised of the Vice-President, Secretary, Treasurer of the dormitory, and the floor representatives. The council may refer frequent violators to I.D.C.

COMMUTERS COUNCIL

Chairman: EILEEN PORTER '68

Adviser: DEAN OF WOMEN

The Commuters Council exists in order to voice the interests of commuters in student government. The principal objective of the council is to encourage commuters to participate and voice their opinion in matters which directly involve them. In order to bring commuters together and to increase their interest in college activities, the council will organize special functions such as the Christmas banquet. It is hoped that the council will have much cooperation, and that commuters will find their years more enjoyable due to the efforts of the council.

DINING ROOM COUNCIL

Chairman: PATRICIA CASEY, '68

Adviser: DEAN OF WOMEN

The Dining Room Council exists to help maintain an atmosphere of homelikeness and refinement in our dining room. Once a week we have "dress-up" night, when birthdays are celebrated.

It is hoped that each girl will feel at ease in our dining room and will, by reflecting her home training and her own appreciation of good breeding, contribute to pleasant social intercourse.

DORMITORY LIVING

ONLY when the rights and privileges of others are as important to us as our own rights and privileges can we honestly say we are glad we are living under democratic government.

—DOROTHY LARNED

Also, each student must sign out, at the place designated by the Head Resident, if she leaves her dormitory during the evening or on a day when there are no classes, to work in any of the college buildings.

Resident students will sign out time, place, and escort or companion only when going out-of-town between the hours of 7:30 a.m. and 7:30 p.m. They will not need to sign to go to the Center, Shoppers World, south Framingham, etc., unless they are expecting a telephone call. It seems reasonable if a call is expected, however, that the student stay around until the call is received. After 7:30 p.m. students must sign out regardless of their destination. No student may sign out to leave the dormitory after 10:00 p.m. Sunday through Thursday, or after 10:30 p.m. on Friday and Saturday. No student is to sign out in another's name. Failure to follow these regulations will be referred to the I.D.C. for appropriate action.

Student Cooperative Association (usually in October)
 Black and Gold Weekend (usually in November)
 May Day (in May and for Sophomores only)
 Winter Weekend (usually in February)
 Junior Weekend (Juniors only)

Senior Week privileges will be posted annually as each class plans activities which may not necessarily follow any previous schedule.

2. WRITTEN PERMISSIONS

At the beginning of the college year written permission from home and approved by the Dean of Women is required for:

A. Spending the night or week-end away from College, not at one's own home.

NOTE: Special permission from the Dean of Women is required for:

1. Spending a night away from College anywhere during the school week.

2. Spending a school day or any part of such a day when classes would be missed, away from College for other than College appointments.

B. Canoeing, swimming, sailing, flying, skating, cycling, or horseback riding.

C. Leaving College with escorts.

D. Driving with friends or relatives.

NOTE: A form, used for most of the permissions named above, is mailed out to all students before they return to College in the fall. Specific names and definite addresses are requested on all permissions, college as well as home addresses for escorts. If parents wish to leave A, B, C, or D to the discretion of their daughter, a notation to that effect should be made on the permission blank. *This does not apply to Freshmen.*

Names may be added or deleted by notifying the Dean of Women.

The Dean of Women is ready and willing to give special permissions at any time when an occasion warrants it. She should also be informed promptly of any emergency permission obtained from the Head Resident or other recognized authority.

Students are reminded that it is courteous to introduce their escorts to the Head Resident.

3. QUIET

In order that each student may enjoy her privilege and right to study, rest and sleep, as well as to relax, quiet and order are necessary. Consideration for others and self-control can, with an effort on the part of each individual student, produce the conditions of a well-regulated dormitory.

Unless students are interested in producing these conditions and in securing the rights of all who are living in the residence, they will be requested to withdraw from the residence.

Every student should be in her own room by 11:00 p.m. Sunday through Thursday.

An Inter-dorm Council administers the quiet and order regulations, which are set up by the students with the approval of the administration.

The residences should be quiet from 7:30 p.m. on and during the hours of classes.

The residences must be quiet until 6:45 a.m. Monday through Saturday, and until 9:00 a.m. on Sunday.

All day Sunday reasonable quiet is expected, both in the residences and on the campus.

No musical instrument shall be played in the dormitories after 7:30 from Sunday to Thursday; nor after 10:00 p.m. on Friday and Saturday nights.

Exception has been made in the case of radios; they may be used at the discretion of the owners, so long as they are not heard *outside the room where located*. Abuse of this privilege will be reason for forfeiting the right to use the radio.

The wearing of soft-soled slippers during the evening is recommended. Residence rooms are far from sound proof.

Students who return late are expected to go quietly to their own rooms, and to be particularly quiet in preparing for bed.

4. LIGHTS

The College furnishes one overhead light in Crocker Hall, Peirce Hall, Horace Mann Hall, O'Connor Hall; any other light the student furnishes herself; in O'Connor Hall desk lamps and floor lamps are also furnished.

Unwise and inconsiderate use of the unrestricted late light privilege may result in suspension of an individual's late lights.

Lights should be turned off when not in use.

5. ROOMS

Residence rooms are to be kept clean and in order at all times.

It is expected that beds shall be made by 9:00 a.m.

Decorations may be hung *only* from the moldings. Bulletin boards of monk's cloth or wall board are useful for putting up small souvenirs and decorations. No decorations in any medium may be applied directly to any wall or painted surface.

No pins, tacks, nails, tape, or paste shall be used on walls. Residence groups may vote fines for any infraction of these regulations.

No electrical appliances except radios, clocks, record players, razors, and electric blankets may be used in the rooms. Hair dryers, irons, "stingers" and all types of coffee makers may not be brought to residences.

Tin containers are advised for storing food.

Shades should be drawn when lights are burning in rooms.

Pets are not allowed in college residences.

6. DRESS

Unconventional or informal attire such as shorts, bathing and sun suits, negligees, etc., is not to be worn in the living room or dining room, to classes, or in May, Dwight, or Hemenway Hall. See the regulations, which are printed elsewhere in this handbook.

"Sunning" on campus is restricted to weekends as previously stated, and in places approved by the President and Dean of Women.

7. GUESTS

Parents and family are welcome at any time when such visits do not interfere with college routine, either class or residence.

Male guests (FSC students or others) may call at the women's residences between 1:30 p.m. and 10:00 p.m., Monday through Friday; between 10:00 a.m. and 10:00 p.m. Saturday and Sunday.

After 7:30 p.m. visitors (male or female) may be received in the residence living rooms for a short time (not more than 1 hour); the resident student may however, if she has a "late" use it, either remaining in the living room or signing out in the usual manner.

Other than for scheduled college events, visitors may be entertained in residence living rooms on Friday and Saturday evenings only, until 11:00 p.m. and on Sunday evening until 10:00 p.m.

(NOTE: O'Connor Hall Lounge, street floor, shall be considered the living room for that residence during evening hours when no special college function is being held there. It will, therefore, be subject to the same guest regulations as other residence living rooms.)

Guests, whether escorts, family, or friends, should be introduced to the Head Resident.

Rooms may be visited by parents **ONLY** on Sunday from 2-6 p.m. The Head Resident should always be consulted before *any* visitors are taken to a student's room.

Arrangements for overnight or week-end guests should be made in advance with the Head Resident.

Permission for meal guests should be secured from the head matron in Peirce Hall.

8. MOTOR VEHICLES

Boarders are not allowed to have motor vehicles at College, unless, in an emergency, special permission is secured from the President or Dean of Women.

NOTE: During Commencement Week Special arrangements for seniors will be approved by the Dean of Women.

Boarders are reminded not to exceed the restrictions of their permission blanks with respect to automobiles.

9. STUDY PLACES

The Student Union, second floor, provides one study hall for the use of all students.

Sewing rooms, primarily for the use of H. Ec. clothing students, are maintained in the residences.

School buildings must not be used before 7 a.m. except by special arrangement by a faculty member.

The library in Dwight Hall is available as posted.

Never at any time should students study *alone* in any part of the school buildings in the evening.

10. ILLNESS

Any illness must be reported to the Resident Nurse and Head Resident. Doctors' appointments should be made through the College Nurses.

Any student unable to return to College from home or elsewhere because of illness should communicate with the Dean of Women, if unable to reach her, with the Head Resident.

No student may go home for illness without first presenting to the Head Resident a permission statement from a College Nurse.

When a tray is needed, a slip explaining the need and approved by the nurse or whoever is replacing her at the moment must be left with the Head Resident, at least one hour before the meal if possible

except for breakfast and then directly after the meal. Tray dishes must be washed and dried and returned to the office before the next meal.

11. TELEPHONE

Pay stations may be found in each building, and all student calls should be placed and received at these stations. The numbers are as follows: Pierce Hall 873-9064 and 873-9365, Horace Mann 873-9053 and 873-9225, Crocker 873-9025, O'Connor, ground floor 873-9469, first floor 873-9462, second floor 873-9414, third floor 873-9442.

Parents and friends should be given the numbers of the pay stations, and the hours when the students may be called.

All telephone calls should be received during the free hours and before 10:30 P.M. Outgoing calls may be made until 11:00 P.M.

The Business Office of the College is at Dwight Hall. All business matters will be cared for there during the hours 8:30 a.m. to 4:30 p.m. Telephone —872-3501.

The Dean of Women's office telephone number is 872-3501, Ext. 34.

No office telephone—in any school office or residence office—shall be used by students.

12. SMOKING

Smoking in a residence room is cause for immediate removal from the residence.

Regularly designated smoking rooms are the only rooms where smoking is permitted on campus. Hours for their use are posted on the bulletin boards.

13. BULLETIN BOARDS

Students should consult their residence bulletin board regularly at meal time, as they are held responsible for acquainting themselves promptly with all notices posted there.

CROCKER HALL 873-9025

House President

Crocker Hall, which was named after Miss Lucretia Crocker, an outstanding teacher and the first woman to be appointed supervisor of the Boston schools, was built in 1886 to be used as a dormitory. On Christmas of the following year the hall was partially destroyed by fire. It was later repaired, enlarged and reopened in February, 1889. After the hurricane of September, 1938, Crocker was brickfaced, somewhat remodeled, and the new Crocker opened to the Junior Home Management Group on March 4, 1940. Other students from all classes make up the complement the Hall can house. Mrs. Savage is head resident at this Hall.

STUDENT ORGANIZATIONS

THE DIAL

Our yearbook, *The Dial*, is essentially a senior book compiled by a staff of seniors. Even so, all college events and clubs as well as all underclassmen are represented. *The Dial* portrays, through literary and pictorial media, the history of the graduating class and tries to convey just what four years of F.S.C. means to the class. *The Dial* is everyone's yearbook and it will bring back memories of college days many years hence.

We, the staff of *The Dial*, extend a warm welcome to you, an entering student, and also the hope that your years at Framingham State College will be rewarding ones.

THE GATEPOST

We, the staff of your college newspaper, *The Gatepost*, wish to welcome you to Framingham. We know you'll enjoy your college days here and will build many friendships. We are all looking forward to meeting you.

Communication is of extreme importance in any situation where a group of people desire to have information. *The Gatepost* is our college newspaper. The members of the staff spend much time in trying to make it serve its innate purpose of spreading news while it is still news. They keep the students informed of different aspects of college life through news articles, editorials, and features. Positions on the staff are open to upper classmen at any time and to Freshmen after the first quarter marks are out. We welcome new workers and new ideas. We can only be a success if you give us your support.

THE ONYX

This literary publication is now well established on campus. Our editors and writers hope to publish original poems, short stories, plays, essays, and drawings showing the creative talents of our faculty and students. We are always open for your suggestions and sincerely hope you will submit your original efforts to us.

In this new attempt to increase the cultural publications here, we ask your whole-hearted support. Please make it your personal responsibility to insure the success of this publication.

DEBATE SOCIETY

The Framingham State College Debate Society was organized in 1964 under the Student Cooperative Association as a member of the Massachusetts State College Debate League. The Society is now also a member of the American Forensic Association.

Activity of the group during its first year included weekly meetings and participation in intercollegiate debates. Among the events entered were the Massachusetts State College Debate Tournament at Worcester and the Eastern Forensics Tournament at Queens College in New York City. Members of the team observed several other tournaments including the Nationals at West Point.

The Debate Society welcomes all students, with or without previous debate experience, who would like to further an interest in forensics. An active debate season is anticipated.

THE HILLEL ORGANIZATION

The Hillel Organization, co-sponsored by the Bay State Lodge of B'nai B'rith and the Women's Chapter of B'nai B'rith of Framingham, was formed in the fall of 1959 under the name of the "Menorah Club," to serve the cultural and social needs of the Jewish girls on campus. The spring of 1964 found us officially becoming a member of National Hillel. Included among the activities for the coming year are a Welcoming Tea for the Freshmen, an Israeli-Dance Festival, and an Inter-Faith Forum.

As the club is not large, it is hoped that the programs interpreting Jewish culture may be of interest to non-member friends. We are looking forward to welcoming you on campus and sharing our activities with you.

THE HILLTOP PLAYERS

Here on campus the Hilltop Players fulfill a very meaningful and rewarding mode of expression as our dramatic club. The purpose of the club is to maintain an interest in drama and to stimulate participation in the many aspects of dramatics, the theatre, and self-expression.

Throughout the year our meetings will feature readings, discussions, speakers, and workshops, all of which will help to develop a keener understanding of the theatre itself.

Whatever your interest, there is a place for you in Hilltop, as a light technician, costume designer, makeup artist, publicity agent, or as an actor or actress. We are looking forward to meeting and working with you.

THE HOME ECONOMICS CHAPTER

Organized in 1924, the Louisa A. Nicholas Home Economics Chapter was named in honor of Miss Nicholas, for many years the beloved head of the Home Economics Department.

The purpose of the club is to bring together the students of the department in order to keep them well informed on current problems and topics of general interest to home economists, to have an organization for participation in off-campus home economics activities, and to familiarize the students with the broad fields of home economics. Our college club offers an opportunity to participate in meetings of the College Chapter Department through its affiliation with the Eastern Massachusetts Home Economics Association, The Massachusetts Home Economics Association, and The American Home Economics Association. Our chapter is well represented this year by Sandra Haney, '64, who is Vice Chairman of the College Chapter Department of the Massachusetts Home Economics Association.

THE INTERNATIONAL RELATIONS CLUB

The International Relations Club, formed in the spring of 1961, has as its main purpose the stimulation of student interest in world affairs, the increase of understanding of the workings of the

United Nations, and the development of insight into the behavior of the countries and peoples of the world. As an affiliate member of the Collegiate Council of the United Nations the club has sent delegates to the annual Model General Assembly and representatives to other conferences.

Activities planned for the coming year include a model United Nations meeting, foreign students as speakers, panel discussions with groups from other colleges, and, again, participation in the Model General Assembly. There will be frequent discussions on United States foreign policy, United Nations action, and international relations. These will be supplemented by discussions of current literature, including both non-fiction and historical novels.

The International Relations Club is looking to you for support. All the officers join in welcoming you to Framingham and in inviting you to share in our activities. We hope that many of you will soon be members of I.R.C.

We are initiating intramural activities in football, basketball, and hockey. During our first year we hope to have informal intercollegiate games in basketball and baseball.

The M.A.A. will also sponsor social and cultural activities during the college year. Our events will only be as successful as your support is strong. We invite and encourage all men to actively participate and enjoy the benefits of the first Men's Athletic Association.

THE MUSIC CLUBS

The Music Clubs would like to take this opportunity to extend a welcome to the entering students. We hope that many of you will want to join us this year in our various music activities. The Glee Club members are chosen by tryouts early in September, every girl in the college having an opportunity to try out. Our concert choir, a selected group from within the Glee Club, sings in assembly, and gives outside concerts during the course of the year.

If you can play a musical instrument we want you in the orchestra. Since the orchestra is a recently organized group, your help is needed to build it up.

Again, we hope you will want to help us further our purpose of enjoying and appreciating good music. Sing with us at the Christmas Candlelight Service, the annual Glee Club Concert or Operetta and the Class Day evening concert on the Horace Mann Terrace.

NEWMAN APOSTALATE

The Newman Apostolate was founded thirty years ago on this campus for the purpose of helping students to become aware of their role as Catholics in the College Community. We are directly affiliated with the Boston Province.

The group offers to all students and faculty the opportunity to participate in weekly Masses, perti-

nent discussions, monthly meetings with outstanding speakers, impact weekends, interfaith encounters, social events including the Holiday Dance, and other ecumenical events in keeping with the spirit of the Second Vatican Council.

It is our hope that through our effort we will find college life a broadening and meaningful experience, spiritually, educationally, and socially. Faculty and students are encouraged to come and participate freely. Our chaplain is available to all students on Wednesday afternoon or by appointment.

STUDENT CHRISTIAN FELLOWSHIP

The Framingham Student Christian Fellowship is affiliated with the Student Christian Movement of New England. Through this organization we attend many off-campus conferences, where we have the opportunity to meet and share ideas with students from other colleges. The many churches in the Framingham Centre area welcome students.

In addition to our four regular afternoon meetings we have Bible study groups, bi-weekly and Lenten worship services, and guest speakers who share with us their viewpoints on various subjects. Our two main social events this year are the informal dance in March and the Sunrise Service and Breakfast in May.

The S.C.F. extends to you an invitation to join and participate in all of our many events.

WOMEN'S RECREATION ASSOCIATION

The Women's Recreation Association is open to all who wish to join. No special skill is required to be a member. All that is necessary is enthusiasm for sports and the enjoyment of mingling with other students. A variety of sports is offered. There are team sports: hockey, basketball, volleyball and softball; the individual sports are tennis, badminton, bowling, and swimming, and there is ice skating. Along with the interclass games and the interdorm games on campus the girls enjoy round-robin games with several other colleges.

Points are given for participating in any athletic event. These points count toward various individual awards. You who are to be members of the entering class will find that your interests and sociability at Framingham will be further enriched through participation in college athletics.

FACILITIES AND SERVICES

Smoking

Smoking is permitted in the recreation rooms in the basement of each dormitory, at hours determined by the Inter-Dorm Committee, in the Students' Room in Dwight Hall, May, Mary Hemenway Hall, and in the Student Union as posted. Smoking is also permitted on the steps north and south of Dwight, on the steps north of May, and, for Crocker residents only, on Crocker back porch.

Student Lounges

In order that no one group of students be responsible for the care of the Students Rooms, the S.C.A. has set up a committee to acquaint the student with the system for keeping the smokers attractive and neat. It is expected that each student using these rooms will assume the responsibilities assigned to him.

Where there are regulations restricting hours when pianos and TV may be used, they should be carefully noted and followed, as all regulations are in the interest of the College as a whole. All rules are posted, and carelessness in observing them is

cause for closing the room. A room may be closed at any time by President McCarthy, the Dean of Women, Dean of Men, or the S.C.A. committee if there is not full co-operation on the part of the students in maintaining it.

Calendar events have priority rights in the use of rooms.

Reservation of Rooms and Facilities

Rooms needed for special events, meetings, or rehearsals must be reserved with the Dean of Women, well in advance to avoid conflict. The coffee urn, dishes and silver, punch bowls and glasses may also be reserved by filing with the Dean of Women a reservation form properly filled in.

Sunning

Sunning is limited to the rear of the Athletic Field on weekends only when there are no activities (such as May Day, Class Day, Commencement, etc.) scheduled there.

Parking

All motor vehicles brought onto this campus must be registered and bear a proper bumper decal. Decals are obtained from the Campus Police Office located in May Hall. Bumper decals are issued during registration and are valid during the period between September 1 and August 31, for the academic year in which they are purchased. A fee of one dollar (\$1.00) is charged for the academic year or fractional part thereof. Should a motor vehicle be changed during the academic year, a new decal will be required and a fee of one dollar (\$1.00) will be charged.

Students are requested to park their cars in the parking lot next to the Vocational House on Maple Street and in the parking lot on Maynard Road.

Students parking on town streets are subject to the local ordinance forbidding parking for longer

than two hours on a public street. Any towing will be at the owner's expense. Most of the streets adjacent to the campus are posted with "No Parking" bans. Our neighbors complain, justly, when students park on the streets in such a way that delivery trucks and safety equipment cannot service private residences.

Campus Parking Regulations

Pursuant to the authority vested in the Campus Police by Section 18 of Chapter 73 of the General Laws, as amended, the following Rules and Regulations for the control, movement and parking of vehicles at the Framingham State College are hereby adopted:

1. The area to which these rules and regulations shall apply is established as all state-owned property, including but not limited to rights of ways and private ways, located off State Street, Maynard Road, Salem End Road, Church Street, Main Street and Maple Street in Framingham.
2. The area shall be divided at the direction and discretion of the President of the College into suitable spaces for the parking of individual vehicles.
3. Spaces or areas may be assigned by the President or his designated assistants for use of officials and employees of the State College at Framingham, for alumni organizations or for guest parking, and no other person shall park a vehicle at any time in the space or areas so designated.
4. No student shall park his or her vehicle anywhere on college grounds except in those areas or spaces designated for parking. The Dean of Women and/or the Dean of Men may, in writing, with the approval of the President, exempt any student from these regulations.

5. These rules and regulations shall be enforced at all times (24 hours daily and 7 days weekly.)
6. A yellow ticket, a notice of violation, is placed on the vehicle misparked indicating the offense, the date, the time, the place and the registration number of the vehicle; the duplicate is held by Campus Police. On the yellow ticket are instructions that this yellow ticket be returned within 24 hours to Campus Police Office in May Hall between the hours of 8 A.M. and 4 P.M. in person by the person receiving the violation notice.
7. Procedure—A ticket, indicating the offense, the date, the time, the place, the registration number of the vehicle, and the name of the person operating the vehicle, will be made out in triplicate; the first to be given to the operator; the second to be forwarded forthwith to the Clerk of the First District Court of Southern Middlesex at Framingham; and the third to be held by the State College at Framingham. The ticket also to contain a command or direction to appear before the Clerk of the said Court within 21 days after the date of the violation, between the hours of 8:00 A.M. and 4:00 P.M. daily, except Saturdays, 8:00 A.M. to 12:00 P.M.; the notice to further contain a statement that it may be returned personally or by any person authorized in writing, or may be mailed to said Clerk with the correct fine.
8. The following penalties are established in accordance with the provisions of said Section 18:
First offense: Warning by the Clerk of Court.
Second offense: \$1.00 to be paid to the Clerk.
Third offense: \$2.00 to be paid to the Clerk.
Fourth offense: \$3.00 to be paid to the Clerk.
Fifth offense and subsequent offenses: Formal complaint to issue the offense to be punishable by fine of not more than \$20.00.

Study Places

The Ritchie Library is open from 8:00 A.M. to 9:00 P.M. Monday through Friday except during assembly hours; and from 9:00 A.M. to 4:00 P.M. on Saturday.

The Home Economics library in Mary Hemenway Hall as well as unused classrooms may be used during the day. The Study Room in the Student Union is available as posted.

Employment

Information in regard to any type of employment connected with the college buildings, dormitories, village houses, or summer openings may be obtained from the Dean of Women and Dean of Men.

Opportunities for campus employment are very limited and are offered first to the upperclassmen.

Lost and Found Articles

Found articles should be taken promptly to the office of the Dean of Women, where owners should inquire for them. From time to time the list of these articles will be posted on the Dean's bulletin board or published in the *Gatepost*. If they are not claimed by a specified date they will be disposed of at the discretion of the Dean of Women.

The Mart

The Mart confines its offerings to student supplies, special F.S.C. items, gifts and cards.

Mrs. William Hilliard manages the Mart. Mart hours are posted on the doors. Profits go to the Student Cooperative Building Fund.

Here you will find art supplies, notebooks, paper stationery, paper back books, fountain pens, and the dozen and one items every college student finds useful. You will also be delighted with the many items for your own use and for gifts, featuring the

College seal and colors. Among these are sweat-shirts acceptable to the Physical Education Department. The absolutely necessary college calendar may also be purchased in the Mart.

The Book Store

The Bookstore, located in O'Connor Hall, lower floor, handles all the texts used in our courses. It is open at hours posted; all profits are devoted to promoting College public relations.

Telephone

Pay stations for general use are situated in the cloak room to the left, in Dwight Hall Lobby, in the lobby of O'Connor Hall, and first floor of Mary Hemenway Hall. There are also pay stations for residents.

The Ella C. Ritchie Library

On the second floor of Dwight Hall is located the college library named the Ella C. Ritchie Library as a tribute to the librarian who served the college from 1923 until her death in 1941. In addition to this main library there are several departmental libraries on the campus, making more easily available the books and other library materials needed for special class work. The library of 56,000 volumes includes an adequate collection of reference books, books specifically chosen for class work, books for recreational and cultural reading, newspapers, and nearly 450 periodicals on a wide variety of subjects. Since the books and periodicals have been selected to answer the many needs of both faculty and students, certain rules regarding the use of the library and its materials are necessary so that all members of the college community may enjoy equal library privileges.

1. Reference books do not circulate; they are needed in the library at all times.

2. Current periodicals do not circulate; they may be read in the library.

3. Certain books needed for class assignments are taken from the main collection from time to time and placed on special shelves for limited periods. These so-called reserved books are charged for over night only. In this way a few copies serve many students.

4. All other books and other library materials may be taken out for a period of two weeks;

5. Fines are charged as scheduled:

Reserved books—25¢ first hour, 10¢ each hour thereafter, \$2.00 maximum.

All others—5¢ per day.

Either the librarian or a student assistant is always on duty in the library. All users of the library are urged to consult the desk attendant at any time when they need help in using the library. The college library is a place for quiet reading and study; it is an agency of instruction rather than a storehouse of books; it should be the academic center of the institution.
